

FABIO PERINI FINANCE

INNOVATIVE FINANCIAL SOLUTIONS FOR FABIO PERINI CUSTOMERS

Fabio Perini offers customized financing solutions for their customers. This approach makes it easy to switch to new products. Our strategic partnership with Deutsche Leasing, the solutions-oriented asset-finance company, enables customers to benefit from very attractive financial options.

The comprehensive financial solution includes all project related costs. Our customers only need to pay an attractive and transparent monthly instalment. This reduces the administrative efforts and leads to a better budgeting and planning process.
